

ON THE ROCKS

A relationship is put to test when two love-struck teenagers run away from home and find themselves stranded in the Badlands with no food or water.

Grace and Adam are two infatuated teenagers who run away from their troubled homes and take on a life on the road. Things start off beautifully, as the inseparable couple enjoy a carefree life in the Alberta prairies. However, after receiving arcane advice from a mysterious Drifter, they find themselves stranded in Alberta's Badlands. Without having any food or water to survive, their relationship is put to test...

ON THE ROCKS is an independent, English language coming-of-age drama written and directed by Justin Kueber. In the same vein as Walkabout (1971), ON THE ROCKS explores the loss of innocence, the destructive nature of man and environmental preservation, shot in the Alberta Badlands.

ON THE ROCKS won Best Actress (Carlee Ryski) at the 2017 Alberta Film & Television Awards and was also nominated for Best Cinematography and Best Original Score Drama Over 30 Minutes.

ROSIE AWARD WINNER

FOR BEST PERFORMANCE BY AN ALBERTA ACTRESS - CARLEE RYSKI

NOMINATED FOR BEST CINEMATographer (DRAMA OVER 30 MINUTES) - SAM REID

BEST ORIGINAL MUSICAL SCORE (DRAMA OVER 30 MINUTES) - GEOFF MANCHESTER
